Dear Mr. Neely:

Glad to meetcha! Hope you can come to our sale. If you're looking for a studservice there are a number of good ones in the sale - including some from our own herd.

I may buy one here myself this year. We toured the herds last October with the rest of the Preserving Committee and I truly believe we have the best group of <sup>western</sup> pale bulls ever to be sold in the Northwest including Glenorch Falls and Red Bluff.

Very truly,  
Virginia B. Welch

I was in my 30's - I taught at school

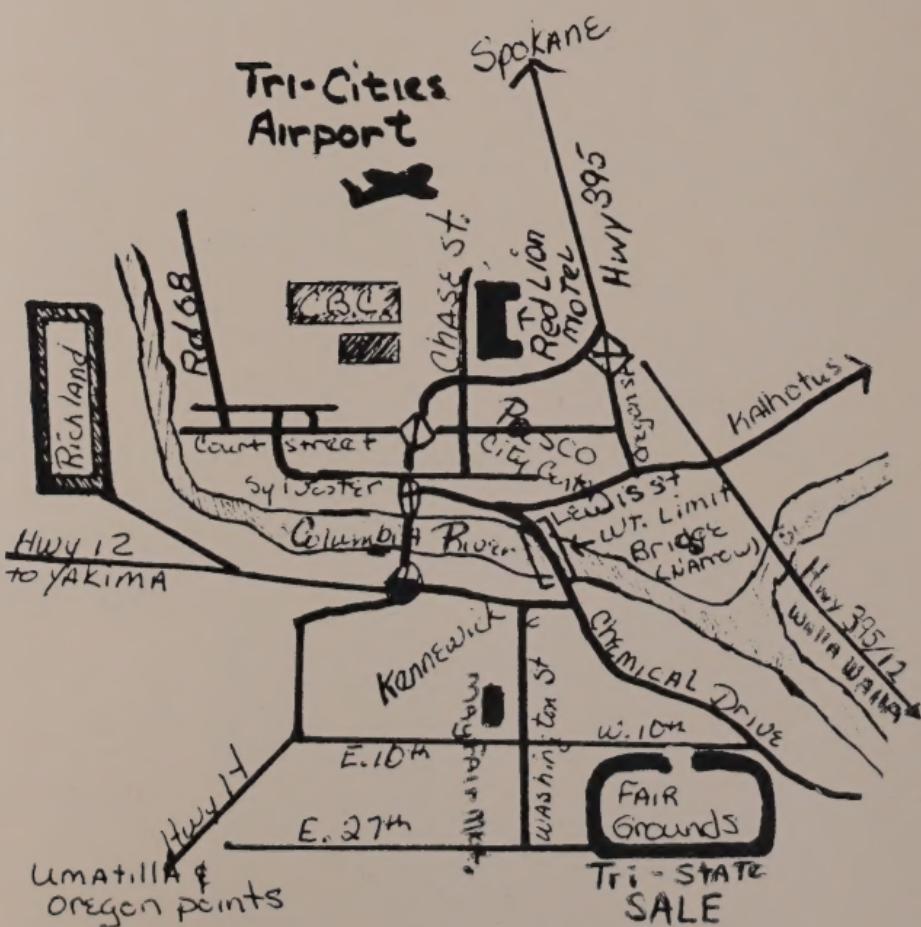

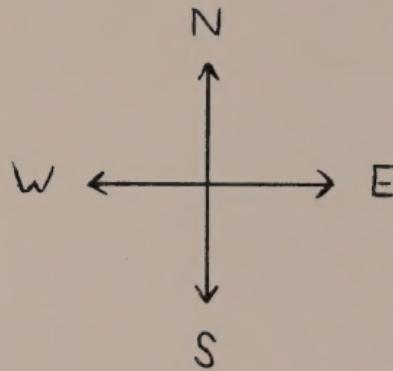

and was interested in the people among the poor who  
had suffered - who were the ones that had suffered a  
lot - had been

lost all their belongings and were put into poor

houses & to live at home with nothing and think of  
to do & to eat and as such they had no money  
for their wants & it was a great trial
